

## Horn of Africa Mission

Led by Dr. Markos Zemedede, Horn of Africa Mission (HOAM) supported missionaries are planting culture-affirming churches in the unreached areas of Ethiopia, Sudan, Somalia, Djibouti, Eritrea, Kenya, and Tanzania.

HOAM is equipping emerging leaders to provide the training necessary so they can plant new churches and train new leaders. This year, HOAM has started 16 "Grassroots Equipping Centers" (GEC) in Ethiopia to disciple and equip new believers.

- HOAM supports 275 national missionaries
- Over 1,000 new churches have been planted so far
- HOAM church planters are starting two churches per day on average
- HOAM Board of Directors from EVC include; Sally Anderson, Ryan Hunt, Ed & Donna Eliason

(from L to R) Lynn & David Hunt, Dr. Markos Zemedede & Abebe Amedia at a HOAM strategy planning meeting.

### How You Can Pray:

- That God would continue to open people's hearts in the Horn of Africa region
- Pray for God to raise up more church planters
- Pray for protection from persecution over the church planters
- Pray for the Holy Spirit to impart wisdom and knowledge upon the church
- Pray that God will move to reach the goal of planting 10,000 churches in the Horn of Africa in the next 5 years
